At the Marian Year Congress last  
October in another Mission—Onitsha,  
—one hundred thousand Catholics  
gathered to honour Our Blessed Lady.

Fifty years ago the number of  
Catholics in this area was but two  
thousand.

Yet the Holy Father says:

"When one considers the immense  
multitudes still deprived of the truth of  
the Gospels, when one measures the full  
seriousness of the danger which besets  
so many, how can one not be, as We are  
Ourselves, seized with piercing anguish  
and impelled to promote the works of  
the missionary apostolate everywhere  
and with all one's strength."

—Pope Pius XII

The new HOUSE OF MORGAN Wine List

is a complete guide to the choice of Christmas Wines, whether for yourself or as a gift to a fortunate friend.
